## A message from Mrs. Denham

### PTA – HOLYWELL HOLLOW

A huge thank you to the PTA for the wonderful new play equipment in the Holywell Hollow that they have helped fund. The children have loved playing on it and our hope is to add to it over the coming months. We enjoyed the opening celebration last Friday afternoon.

As the Hollow is used so much during playtimes and for Wild Tribe, the PTA are holding a working party from 9am this Saturday to help further develop areas in the Hollow. They would love any parents to join them. Children may attend with their own parents but each parent must be responsible for their own child and must be aware at all times that there will be equipment and tools being used.

### Coffee Morning

At Holywell we are planning to re-instate the coffee morning which Mrs. Arend used to hold in Tawstock Village Hall. We have organised it for the morning of Friday March 15<sup>th</sup> from 9 am to 10.30am and we hope to hold them monthly after that. We hope as many parents as possible can join us for coffee, cake and a chat!

### World Book Day

What a lovely time the children had during World Book Day – thank you so much for making the effort with costumes. The children looked amazing.

### Exeter Cathedral

Thank you so much to the five children who sang in the concert at Exeter Cathedral last Saturday with other schools, the Devon Schools choir and the Cathedral choir. They sounded so wonderful and we hope they will always remember the singing in such a wonderful building. Many thanks to: Mrs Curtis for organising the event and to the parents who came and enjoyed the concert with us.

Dear Parent / Carer

### Update - School Funding Issues

I have been asked to send this letter to you on behalf of Devon Association of Primary Headteachers (DAPH)

They wanted to contact you to provide an update on current issues relating to school funding.

Sadly, they have to confirm that despite intense lobbying of the Government and Department for Education, matters remain extremely challenging. In short, schools are still not being provided with adequate funding and resource to deliver the level of provision and support that is expected and that our families and children deserve.

### Current Concerns

- Since 2010 school budgets have been reduced in real terms by 8% and by 20% at post-16
- Class sizes are rising and the curricular offer is being restricted
- Increasingly, schools are being asked to support with children's emotional health and wellbeing. Frequently, we do not have adequate resource to meet a growing need.
- Often, the most vulnerable students in our schools - those from disadvantaged backgrounds or those with Special Educational Needs and Disabilities (SEND) - are bearing the brunt of cuts and schools are struggling to provide the levels of support that they are entitled to.

These issues are not simply affecting a few schools. They are common features across our education system up and down the country. Levels of concern are so widespread amongst headteachers that we are all working together with a united voice.

As such, we have written to the Secretary of State for Education on three separate occasions since September 2018. We are dismayed that he has chosen to ignore our communications and repeated requests to meet. On 13 December 2018, we were informed by a junior civil servant that ***"I am afraid that, on this occasion, the Secretary of State and the Minister of State must decline your offer to meet. I hope you will understand that their time is heavily pressurised and their diaries need to be prioritised according to ministerial, Parliamentary and constituency business."***

Given the seriousness of the current school funding crisis and the impact upon schools, children and families, headteachers and colleagues, believe that this approach is entirely ill-judged. On 14 January 2019, we wrote again to the Secretary of State for Education asking that he reconsider meeting with representative headteachers. Six weeks later, this request was declined once more: ***"As I'm sure you will appreciate, both their diaries are very full and they are unable to accept your kind offer at this time."*** Thousands of headteachers simply do not understand what issues could be seen as more important than the ones we are raising on behalf of schools, children and families.

In September 2018, over 2000 headteachers campaigned at Westminster in order to underline the seriousness of the current situation. This action was unprecedented.

The 'Worth Less?' campaign group now comprises 64 Local Authorities and Boroughs, covering thousands of schools and millions of families. This gives a clear indication of the levels of concern felt by reasonable and moderate headteachers in England.

We continue to recognise that there is not a 'bottomless pit' of money and also acknowledge that many local MPs from across the political spectrum are taking a supportive approach. We must make clear, however, that the current response from the Department for Education is inadequate.

### Why we need to meet

- Headteachers want to contribute constructively to overcome current funding issues.
- Headteachers want to reflect the serious concerns expressed by families regarding inadequate levels of resource and provision especially for our most vulnerable students.
- Headteachers want to ensure that schools receive a much better deal when future Government spending plans - the Comprehensive Spending Review - are drawn up over the next few months.

- Headteachers want to indicate serious and rising concerns relating to the wider pastoral and social care that schools are expected, by default, to provide against a background of severe cuts to Local Authority provision.

Headteachers and colleagues, feel fortunate that we have been so strongly supported by parents and carers as we campaign for a much improved level of funding for our schools and pupils. We urge you to continue to make representations to your local MP and to the Department for Education and wider Government to ensure that matters improve.

We will continue to inform you of the facts and to campaign vigorously over coming weeks and months. A positive starting point should come from the Secretary of State for Education in the form of an urgent meeting.

Yours sincerely  
DAPH
