

A message from Mrs. Denham

It has been lovely to be back full time in school and enjoy being with your children and the staff again. I have been visited by several children sharing their good work and special moments. I treasure these. Children always make me smile - whilst I was off, it was lovely to be presented with an envelope. I thought it was a Christmas card, but no, inside was a tiny piece of rolled up paper with wonderfully written instructions of how to look after my pet SNAIL! I can only assume the child who gave it to me thought I needed something to keep me busy. I kept it on a shelf and it made me and my family smile many times over the holidays – especially when my sons reminded me to feed it!

Operation Encompass

The school is now part of the Operation Encompass project which is being run between Devon & Cornwall Police and schools. A letter has been sent home this week to each family giving details of this.

Admissions for September, 2018: children born between 1st September, 2013 and 31st August, 2014

The deadline to register your child for a place at primary school if they are born between the above dates is midnight on Monday 15th January, 2018 (next Monday). You apply on-line at; www.devon.gov.uk/admissionsonline or if you cannot access the school admissions website you can get more information by calling the Education Helpline on 0345 155 1019 or email: primaryschooladmissions@devon.gov.uk

Severe weather conditions and the closure of School

I thought I would take the opportunity to update you on the procedures for the closure of the school in bad weather.

1. We will send out a text message to all parents asap.
2. You can register with Devon County Council Connectme. The email link is: <https://content.govdelivery.com/accounts/UKDEVONCC/bulletins/1c4ff62> They will then alert you if the school is closed.
3. Listen to Heart Radio
4. news.devon@heart.co.uk
5. If you are unsure, telephone school on 01271 345908. We will always have staff, if at all possible, to answer the telephone.

We will always try, wherever possible, to remain open. Alternatively it may be safer to open school later than normal.

Individual families should assess the risk posed by their journey to school and make their own decision. Many families who live close to the school will have a different level of risk to those who have much more complex travel arrangements. Let's hope that we have a trouble free winter.

Holywell is a NO NUT Zone.

St. Michael's
NURSERY

St. Michael's Nursery **Wrap around service; Breakfast Club and After School Club.** For many years we have offered wrap around care exclusive to Holywell and we are proud to have strong links with your fantastic school. To ensure the service is viable we need to be sure of high level of demand to meet increasing costs of running the nursery and additional services.

Many families at other primary schools have asked us to consider drop/collection at their schools and, should numbers remain low at Holywell we are looking at the logistics of their requests.

We are offering our breakfast and afterschool to Holywell parents before other schools and these places are on a first come first served basis. Katie loves her daily trips to Tawstock!
