A message from Mrs. Denham

Dear parents and carers

What a peculiar week weather wise we have had – sunshine and warmth, rain and cold and even hail! Therefore, can we please request that your child has the following in school each day – a named coat, water bottle, bottle of sun protection lotion and a hat. This should cover all eventualities!

The PTA as always, is busy organising events for you and your children. Please support them in any way you can. They are a wonderful group of volunteers who have the best interests of your children and the school in their hearts. We thank them all so very much.

It has been so special to be able to visit the children in their classes more this week and see their learning and work. It is starting to feel a little like a normal summer term and we look forward to more events being planned after the May half term.

I wish you all a sunny and lovely Bank Holiday weekend. Enjoy whatever you do.

Driving Through the Villages of Taw stock & Eastacombe:

Please can I remind everyone driving to school through the lanes and villages of Tawstock & Eastacombe to reduce your speed accordingly. We have received several complaints from the local community regarding the inconsiderate speed at which some cars are travelling. We also have several families who live in these villages who walk their children to and from school. All routes to the school have narrow lanes and we have heard of a few near misses involving families from our school. We all leave and arrive at different time, so please respect other road users and keep your speed down; I am sure you will all agree that their safety is paramount.

Athletics Club

Mrs Hammond will be starting a Friday athletics club, which will take place on the school field. The club will be open to years 3, 4, 5 and 6 and will be from 3:15pm – 4:15pm. If you would like a place you **MUST** email Mrs. Hammond on samanthahammond@ventrus.org.uk to book a place.

The first club night will be: Friday 7th May.
